

Wash. Flick-dry.

1 Wash

Wash your hands
with soap and water.

Rinse well before flick-drying.

Wash. Flick-dry.

1 Wash

Wash your hands
with soap and water.

Rinse well before flick-drying.

2 Flick-dry

Gently flick excess water off. Then dry with a paper towel.

2a Flick gently

Flick gently 12 times

into the sink.

Keep splashes contained.

Skip if unsafe.

2b Dry completely

Use one paper towel.

Fold it if that helps.

Dry thoroughly.

Take more if you need them.

Put used towels in the bin.

Less water to dry. Start with one towel.
